3. Unless otherwise stated in this Declaration, I have personal knowledge of the facts set forth herein and, if called as a witness, I would testify thereto.<sup>3</sup>

### **OMM’s Qualifications**

4. The Debtors and the Restructuring Committee have determined that it is necessary for the Restructuring Committee to engage attorneys independent from the Debtors’ counsel for the Restructuring Committee to execute faithfully its responsibilities and duties in connection with these chapter 11 cases. The Debtors propose to retain OMM as special counsel to the Restructuring Committee.

5. OMM is a full service international law firm, with approximately 700 lawyers in 15 offices located in the United States and abroad.<sup>4</sup> In addition to restructuring, reorganization, and bankruptcy expertise, attorneys at OMM provide legal services in virtually every major practice area, including corporate, finance, securities, intellectual property, tax, and litigation.

6. Attorneys in OMM’s restructuring practice have been actively involved in many significant restructurings and served as counsel to debtors and creditors in various large and complex bankruptcy cases, including, among others: *In re Belk, Inc.*, (Case No. 21-30630) (MI) (Bankr. S.D. Tex. 2021); *In re Remington Outdoor Company* (Case No. 20-81688) (CRJ) (Bankr.

<sup>2</sup> Capitalized terms used but not defined in this Declaration have the meanings used in the Application.

<sup>3</sup> Certain of the disclosures set forth herein relate to matters not within my personal knowledge but rather within the knowledge of other attorneys and employees at OMM and are based on information provided to me by them.

Thus, I believe OMM has the necessary background to deal effectively with the potential legal issues that may arise in the context of these chapter 11 cases. I believe that OMM is both well qualified and able to represent the Restructuring Committee in these chapter 11 cases in an efficient and effective manner.

### **Services to be Provided**

7. Subject to further order of the Court, the Debtors request authority for the Restructuring Committee to retain and employ OMM to render the following legal services, including, without limitation:

- (a) assist the Restructuring Committee in connection with the Mandate and related restructuring matters;
- (b) advise the Restructuring Committee with respect to their rights, powers, and duties in connection with its Mandate and related restructuring matters;
- (c) appear before the Court and any other courts to represent the interests of the Restructuring Committee before such courts; and
- (d) attend meetings of the Board and represent the Restructuring Committee in negotiations relating to its Mandate and related restructuring matters.

**Professional Compensation**

36. The Debtors request authority to compensate OMM for professional services rendered to the Restructuring Committee and reimburse OMM for expenses incurred in connection with these chapter 11 cases.

37. The Debtors request that OMM be compensated at its standard hourly rates, which are based on the professional's level of experience. OMM's current hourly rates for partners range from \$1,100 to \$1,650, other attorneys' hourly rates, including counsel positions, range from \$610 to \$1,040, and the hourly rates charged for OMM's legal assistants range from \$190 to \$440. The Debtors understand that OMM's rates are subject to annual and customary firm-wide adjustments in the ordinary course of OMM's business. The hourly rates and corresponding rate structure that OMM will use in these chapter 11 cases are consistent with the rates that OMM charges other comparable clients, regardless of the location of the clients or any associated case.

38. OMM has advised the Restructuring Committee and the Debtors that the current hourly rates applicable to the principal attorneys at OMM working on the Mandate are:

<b>Professional</b>	<b>Hourly Rate</b>
David J. Johnson Jr.	\$ 1,475.00
Daniel S. Shamah	\$ 1,180.00
Adam P. Haberkorn	\$980.00
Zachary A. Greenberg	\$980.00
Kai Zhu	\$810.00

39. In addition to the above attorneys, other attorneys and paraprofessionals may, from time to time, assist in the representation of the Restructuring Committee in connection with these chapter 11 cases at OMM's standard hourly rates in effect for such personnel.

40. The Debtors and the Restructuring Committee believe that these rates are consistent with market rates for comparable services and understand that OMM sets its hourly rates on an annual basis after consulting with various independent market sources.

41. Additionally, the hourly rates set forth above are OMM's standard hourly rates for work of this nature. These rates are set at a level designed to compensate OMM fairly for the work of its attorneys and paraprofessionals and to cover fixed and routine expenses. OMM operates in a national marketplace for legal services in which rates are driven by multiple factors relating to the individual lawyer, his or her area of specialization, the firm's expertise, performance and reputation, the nature of the work involved, and other factors. OMM's hourly rates vary with the experience and seniority of the individuals assigned. OMM's hourly rates, however, are consistent with the rates that OMM charges other comparable chapter 11 clients, regardless of the location of the chapter 11 case. OMM did not agree to any variations from, or alternatives to, its standard or customary billing arrangements for this engagement.

42. OMM will maintain detailed, contemporaneous records of time and any necessary costs and expenses incurred in connection with rendering the legal services described above. It is OMM's policy to charge its clients for all disbursements and expenses incurred in rendering services, including, among other things, costs for telephone and facsimile charges,

photocopying, travel, business meals, computerized research, messengers, couriers, postage, witness fees, and other fees related to trials and hearings.

8. Pursuant to Part D1 of the U.S. Trustee Guidelines, OMM hereby provides the responses set forth below:

Questions Required by Part D1 of U.S. Trustee Guidelines	Answer
Did you agree to any variations from, or alternatives to, your standard or customary billing arrangements for this engagement?	No.
Do any of the professionals included in this engagement vary their rate based on the geographic location of the bankruptcy case?	No.
If you represented the client in the 12 months prepetition, disclose your billing rates and material financial terms for the prepetition engagement, including any adjustments during the 12 months prepetition. If your billing rates and material financial terms have changed postpetition, explain the difference and reasons for the difference.	OMM did not represent the client in the 12 months prepetition.
Has your client approved your respective budget and staffing plan, and, if so, for what budget period?	The Debtors, the Restructuring Committee, and OMM expect to develop a prospective budget and staffing plan, recognizing that in the course of these chapter 11 cases, there may be unforeseeable fees and expenses that will need to be addressed by the Debtors, Restructuring Committee, and OMM.

#### Compensation Received by OMM from the Debtors

9. Other than as set forth herein, there is no proposed arrangement between the Debtors and OMM for compensation to be paid in these chapter 11 cases. OMM has no agreement with any other entity to share any compensation received, nor will any be made, except as permitted under Bankruptcy Code section 504(b)(1).

10. According to OMM's books and records for the year prior to the Petition Date, OMM has received no payment from the Debtors for legal services performed and expenses

incurred, including, among other things, in contemplation of, or in connection with, the Debtors' restructuring efforts. As of the Petition Date, the Debtors do not owe OMM any fees for services performed or expenses incurred.

**Disinterestedness of OMM**

11. To the best of my knowledge, OMM does not represent and will not represent any entity, other than the Restructuring Committee, in matters related to these chapter 11 cases. Furthermore, to the best of my knowledge, OMM (i) is not a creditor, an equity interest holder, or an insider of the Debtors; (ii) is not and was not, within two years before the Petition Date, a director, officer, or employee of the Debtors; and (iii) does not have any interest materially adverse to the interests of the Debtors' estates or of any class of creditors or equity interest holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors or for any other reason. Accordingly, I believe that OMM is a "disinterested person," as that term is defined in Bankruptcy Code section 101(14), as modified by Bankruptcy Code section 1107(b).

12. To the best of my knowledge, the partners, counsel, associates, and employees of OMM do not have any connection with the Debtors, their known creditors, other known or potential parties in interest, the U.S. Trustee or any person employed in the office of the U.S. Trustee, any United States Bankruptcy Judge for the Southern District of Texas, or the Clerk of the Bankruptcy Court for the Southern District of Texas, or any person employed by the office of such clerk, except as disclosed or otherwise described herein. To the best of my knowledge, no OMM attorney or employee is related to any United States Bankruptcy Judge for the Southern District of Texas or to the U.S. Trustee or any employee in the office thereof.

13. In connection with its proposed retention by the Restructuring Committee in these chapter 11 cases, OMM has conducted a check for conflicts of interest and other conflicts

and connections based upon information provided to OMM by the Debtors. OMM maintains a database containing the names of current and former clients and other principal parties related to such clients and has a department devoted to the research and analysis of conflicts of interest and other conflict issues.

14. I caused OMM to review and analyze the conflicts database to determine whether OMM has any relationships with the principal parties in interest in these cases, listed on the attached **Schedule 1** (the “**Retention Checklist**”), including but not limited to (a) the Debtors’ equity interest holders; (b) the Debtors’ prepetition lenders; (c) the Debtors’ top 50 unsecured creditors; (d) administrative and collateral agents of the Debtors’ prepetition debt facilities; (e) the entities revealed by a search of Uniform Commercial Code filings; (f) the professionals representing the Debtors and other interested parties in the chapter 11 cases; (g) the United States Bankruptcy Judges for the Southern District of Texas, the U.S. Trustee, and their respective key staff members; and (h) other vendors, customers, and potential parties in interest.

15. OMM also made a general inquiry to all OMM employees requesting disclosure of any relationship with (a) any Bankruptcy Judge in the Southern District of Texas; (b) anyone employed by the Office of the Clerk of the Bankruptcy Court for the Southern District of Texas; or (c) any trustee, attorney or staff employed by the office of the U.S. Trustee. Additionally, OMM requested disclosure by all employees, to the best of their knowledge, of any claims held against, or equity interest in, any of the Debtors and whether any OMM employee is or was a director, officer, or general partner of any of the Debtors or a relative of a director, officer, or general partner of any of the Debtors.

16. To the extent that such searches indicated that OMM has or had a relationship with any potential parties in interest set forth in **Schedule 1** within the last five years,

the identity of such entity, and OMM's relationship therewith, are set forth on the attached **Schedule 2**.<sup>5</sup> No single client of OMM (or such client's respective subsidiaries and affiliates) listed on **Schedule 2** accounted for more than 2% of OMM's gross revenues in the year 2021 (year to date).

17. Given the size and diversity of OMM's practices and the number of potential parties in interest, as specifically set forth below and on **Schedule 2**, OMM represents certain of the Debtors' creditors, equity security holders, or other parties in interest in ongoing matters unrelated to the Debtors and these chapter 11 cases. None of the representations described herein are materially adverse to the interests of the Debtors' estates.

18. In addition, certain of the parties listed on **Schedule 2** are or were, from time to time, members of *ad hoc* or official creditors' committees represented by OMM in matters unrelated to the Debtors' chapter 11 cases. From time to time, OMM also works with certain professional firms and certain OMM attorneys have worked at other firms that have been retained by the Debtors or other parties in these chapter 11 cases and that may be rendering advice to other parties in interest in these chapter 11 cases.

### **SPECIFIC DISCLOSURES**

19. As specifically set forth herein and in the attached schedules, OMM has represented certain of the Debtors' creditors, equity security holders, or other parties in interest in matters unrelated to the Restructuring Committee, the Debtors and these chapter 11 cases. None of the representations described herein are materially adverse to the interests of the Restructuring Committee, the Debtors, or the Debtors' estates. Moreover, pursuant to Bankruptcy Code section

---

<sup>5</sup> OMM's inclusion of parties on **Schedule 2** is solely to illustrate OMM's conflict search process and is not an admission that any party has a valid claim against the Debtors or that any party properly belongs in the Debtors' schedules or has a claim or legal relationship to the Debtors of the nature described in the schedules.

327(c), OMM is not disqualified from acting as the Restructuring Committee's counsel as a result of its representation of certain of the Debtors' creditors, equity security holders, or other parties in interest in matters unrelated to these chapter 11 cases.

20. OMM has acted as counsel for Franklin Advisers, Inc. and/or its affiliates ("Franklin"), a creditor in these chapter 11 cases, concerning certain matters unrelated to these chapter 11 cases. OMM has not provided advice to Franklin concerning these chapter 11 cases and does not currently represent Franklin in connection with any matters involving the Debtors. OMM services rendered on behalf of Franklin aggregate to less than 1% of OMM's annual revenue in 2019, 2020, and 2021 (year to date).

21. The Debtors have numerous relationships and creditors. Consequently, although every reasonable effort has been made to discover and eliminate the possibility of any connection or conflict, including the efforts outlined above, OMM is unable to state with certainty which of its clients or such clients' affiliates hold claims or otherwise are parties in interest in these chapter 11 cases. If OMM discovers any information that is contrary or pertinent to the statements made herein, OMM will promptly disclose such information to the Court on notice to such creditors and to the U.S. Trustee and such other creditors or other parties in interest as may be required under noticing procedures applicable in the Debtors' chapter 11 cases.

*Remainder of Page Intentionally Left Blank*

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my information, knowledge, and belief.
